

Coordination: Université de Lille

Project coordinators: Prof Richard Davis and Dr Joseph Armando Soba

Project officers: Marion Demay and Martine Hamiache

Contact: ibrasil@univ-lille3.fr

Eligible fields of study

Education: Bachelor

- Teacher Training
- Primary Education
- Secondary Education
- Adult Education
- Vocational and Technical Education
- Educational Science, Comparative Education
- Educational Psychology

Eligible fields of study

Education: Bachelor

- Management, counselling and orientation in Education
- Education and Health
- Didactics and Teacher Training

Engineering: Bachelor and Doctorate

- Chemical Engineering
- Mechanical Engineering
- Electrical Engineering
- Civil Engineering
- Electronic Engineering, Telecommunications

Technology: Bachelor and Doctorate

- Manufacturing sciences
- Materials science

Degrees Awarded in the Eligible fields of study

- Teacher Training: Bachelor (3 years)
- Education: Bachelor (3 years)
- Engineering: Bachelor (3 years); Doctorate (3 years)
- Technology: Bachelor (3 Years) Doctorate (3 Years)

Doctoral School and Research in Education and Teacher Training

- A Doctoral School in Social Sciences and Humanities
- A Reserach center in Education (CIREL)
- A Reserach unit in Didactics
- A School of Teacher Training

Doctoral School and Research Engineering and Technology

- A Doctoral School in Engineering Sciences
- A Research center in Engineering Sciences
- Four Graduate Schools of Engineering and Technology among them: Ecole centrale de Lille and PolytechLille

Previous experience in Erasmus Mundus

- EMMC, Master MITRA, Lille
- EMA2, ANUS II, University of Iasi
- EMA2, EACEA II, University of Ljubljana
- EMA2, DREAM, Universidade do Porto
- EMA2 ACP, Universidade do Porto
- EMA2 KITE, University of Brno

Previous experience in Erasmus Mundus

- EMECW Lot 14, Universiteit Gent, LISUM
- EMECW Lot 15, Universidade do Porto, MUNDUS ACP
- EMECW Lot 16, Università di Bologna, EADIC
- EMECW Lot 17, Universidade do Porto, MUNDUS 17
- EMECW Lot 18, Universidad de Deusto, ARBOPEUE
- EMECW Lot 20, University of Groningen, ECWMEXICO

Expectations

Develop a joint research in Education

General information and figures

- Université de Lille: 3 campuses and 6 Doctoral Schools
- 8,300 international students; 2,500 exchange students
